Moynes

Action no.	Strategies/actions	Lead agent	Partner Agencies	Performance Target and Date	Status	Limiting Factor	Progress to date	Future Intentions
2	Monitor coastal reserve boundary in consultation with landowners and take action where necessary to ensure fencing excludes livestock.	PV	MSC					
3	Fence and revegetate the Eumeralla flood plain with the support of landowners.	GHCMA						
4.2	Provide for protection of cultural sites.	FAT	DSE, PV, MSC, YCI					
4.3	Upgrade day visitor and limited camping facilities and amenities and provide environmental and cultural interps.	MSC	DSE, PV, FAT, YCI					
6	Monitor coastal reserve boundary in consultation with landowners and take action where necessary to ensure fencing excludes livestock.	PV	DSE, MSC					
7.1	Protect and rehabilitate Aboriginal cultural sites.	MSC	FAT, AAV					
7.2	Revegetate eroded areas with indigenous vegetation.	MSC	FAT, AAV					
7.3	Provide safe, limited visitor access.	MSC	FAT, AAV					
7.4	Provide interps for the Aboriginal cultural significance, natural history and safety issues of the area.	FAT	MSC, AAV					
8	Prohibit further small-lot subdivision of coastal freehold land west of Port Fairy via the Moynes Shire Planning Scheme to prevent linear development.	MSC	DOI					
12	Prepare and implement a management plan for the Moynes River upstream to the Belfast Lough that:	MSC	DSE, PPF					
12.1	Provides management direction for the commercial fishing fleet and recreational boating.	MSC	DSE, PPF					
12.2	Protects historic and cultural values of Battery Hill, King George Square and other historic buildings and infrastructure on and adjoining the river.	MSC	DSE, PPF					
12.4	Directs that Battery Hill, Port area and the lighthouse complex on Griffiths Island be managed as an Historic Precinct.	MSC	DSE, PPF					
12.5	Directs commercial and residential development in accord with Port Fairy Siting and Design Guidelines.	MSC	DSE, PPF					
12.6	Promotes pedestrian access on the river frontage.	MSC	DSE, PPF					
12.7	Protects and enhances the biodiversity of the Moynes river estuary and associated salt marshes.	MSC	DSE, PPF					
13	Provide beach access steps / ramps on East, South and Pea Soup Beaches at strategic locations as funding becomes available.	MSC						
14	Prepare and implement a management plan for Griffiths Island, Sandy Cove Salt Marsh, South Beach and Pea Soup Beach to Boulder Point as a Semi-Developed Natural Visitor Area that:	MSC	DSE					
14.1	Continues to implement the recommendations of the Griffiths Island MP.	MSC	DSE					
14.2	Protects the dune, beach and reef systems and the Shearwater colonies at South Beach, Pea Soup Beach & Southcombe Park.	MSC	DSE					
14.3	Protects Sandy Cove Salt Marsh.	MSC	DSE					
14.4	Protects the areas of historic and cultural value.	MSC	DSE					
14.5	Protects Aboriginal archaeological sites.	MSC	DSE					
14.6	Maintains and enhances visitor facilities and amenities.	MSC	DSE					
14.7	Provides linked interpretation of the natural and cultural features of the area.	MSC	DSE					
16	Maintain the current beach re-nourishment program for East Beach and ensure that the sand excavated from the East Beach dune system during building works is returned to the beach, and that it is not removed from the system.	MSC						
17	Ensure that coastal development complies with the recommendations of the Moynes Shire Council Coastal Study and the Port Fairy Siting and Design Guidelines.	MSC						
18	Prepare and implement a Management Plan that:	PV	DSE, WCC					
18.1	Protects and enhances the environmental values and biodiversity of the reserves, in particular the wetlands and beaches.	PV	DSE, WCC					
18.2	Rationalises vehicle access.	PV	DSE, WCC					
18.3	Initiates a revegetation program with Indigenous native species.	PV	DSE, WCC					
18.4	Investigates routing and construction options for the Mahogany Ship walking track.	PV	DSE, WCC					
18.6	Provides interpretive signage at defined locations for the natural, historic and cultural values of the reserves.	PV	DSE, WCC					
18.7	Is consistent with the Levy Point Management Plan adopted by Warrnambool City Council.	PV	DSE, WCC					
19	Investigate options to maintain vehicle access to The Basin car park and beach, with the support of the landowner.	PV						
20	Investigate alternative locations for the Port Fairy airstrip	MSC						
21	Regulate or seek alternative locations for activities such as extractive industries, subdivisions and airstrips on adjoining freehold land that may adversely impact on the reserves.	MSC						
23	Support the realignment of the GOR on existing formed roads via the Childers Cove Road to Mepunga West, west to Burkes Road and Hopkins Point Road.	MSC	WCC, VR					
24	Support the recommendations of the Victorian Coastal Strategy regarding no further development of coast roads.	MSC						
25	Request VicRoads to conduct a Traffic Safety Strategy for this section of the GOR regarding safety alternative routes and directional signage that complement the Moynes Shire and PV Signage Strategy.	MSC	VR, PV					
26	Support the recommendations of the Bay of Islands CP Management Plan 1998.	PV	MSC					
28	Prepare and implement an MP to:	MSC	CCMA, SWWA, DSE, EPA, FAT, AAV					
28.1	Return water quality in the Curdies River to an acceptable level as determined by the CCMA.	CCMA	MSC, SWWA, DSE, EPA, FAT, AAV					
28.2	Protect native vegetation on the riverbanks, cliffs and dunes.	CCMA	MSC, SWWA, DSE, EPA, FAT, AAV					
28.3	Protect cultural heritage values.	MSC	CCMA, SWWA, DSE, EPA, FAT, AAV					
29	Provide interpretive signage at the river mouth lookout and other suitable locations for the natural Aboriginal and European history of the area. This signage shall include appropriate signs for public risk.	MSC	DSE					

31	Under the Moyne Shire Coastal Planning Provisions, manage the development adjacent to the river and coast to conform to the recommendations of the Sighting and Design Guidelines for Structures on the Victorian Coast.	MSC					
33	Prepare and implement a strategy to maintain and improve recreational and camping infrastructure and amenities.	MSC					
34	Investigate options within the Crown Land Reserves Act, Aboriginal and Torres Strait Islander Heritage Protection Act and Local Government Act that provide for the formation of Local Agreements, Aboriginal and Cultural Heritage Agreements and Advisory Cttee roles that include the Cultural Heritage managers in managing Aboriginal cultural property.	MSC	FAT, DSE, PV, AAV				
35	That Moyne Shire Council support the GHCMA and WCB in establishing a Regional Strategy and individual MP for each of these estuaries.	GHCMA	MSC, DSE, WCB, PV, VFFA				
37	Prepare and implement strategic plans in accord with the Flora and Fauna Guarantee Act for the protection of habitat for the Orange-bellied Parrot, Rufus Bristle Bird and Hooded Plover.	DSE	MSC, PV
